

# invisible physical defense

• facefit

Reveals radiance and defends skin.

## time:

- 1 Begin your 2-in-1 cleanse by mixing equal parts **PreCleanse** and **Special Cleansing Gel** into a jelly cup. Apply with a Fan Masque Brush. Lightly manipulate to break down make-up and oil-based debris. Add water to fingertips and lightly emulsify, then remove with damp esthetic wipes.

**Modality Option:** Before emulsifying, use an ultrasonic brush for a deep cleanse.

**ProTip:** You may select an alternative skin-specific **Daily Skin Health Cleanser**.

- 2 Dispense and apply a ½ tube of **Rapid Reveal Peel**, lightly manipulate, and let activate on the skin for 2 minutes. During this time, fill in your Face Mapping results on the **Skin Fitness Plan**. Remove exfoliant with damp esthetic wipes.

**ProTip:** Offer your clients a fan to keep their skin cool and calm. Explain that using a physical SPF after a strong exfoliation is ideal because it helps to defend and soothe the skin, while minimizing possible irritation.

- 3 Spritz the skin with **Multi-Active Toner** and apply skin-specific **Daily Skin Health Moisturizer**.
