

love your skin

60-minute treatment

introduction

This treatment is infused with skin-loving ingredients that deliver amazing skin care results! This Valentine's themed treatment utilizes Rose Oil, Rosehip Seed Oil, Tomato Seed Oil and Raspberry Extract help to lift hydration levels to minimize fine lines, enhance luminosity and revive skin.

For a truly customized experience, offer your clients some Raspberry Leaf Tea prior to their treatment. During the treatment, mist skin with the Dr. Lucas Pulverizer or Eco-Spray customized with a Botanical Mixer prior to moisturizer application.

treatment time

60 minutes

step-by-step

1. Review the **Dermalogica Consultation Card**. Ask any additional pertinent questions and check for contraindications.
2. Remove eye and lip make-up with **Soothing Eye Make-Up Remover**.
3. Apply **PreCleanse** with the addition of half-teaspoon of **Clinical Colloidal Oatmeal**. Work over the skin and then emulsify with water and rinse.
4. Cleanse with prescribed **Dermalogica Cleanser** under steam. Rinse.
5. Perform **Face Mapping**[®] skin analysis and look for any sensitivity, fine lines and dehydration.
6. Exfoliate with ½ teaspoon **Daily Microfoliant**[®] boosted with 1 pump of **Exfoliant Accelerator 35**.
7. Remove with warm steam towels customized with **Replenishing Botanical Mixer**.
8. Apply six drops of **Overnight Repair Serum** and press into the skin. Hold hands over the clients face to create a "tent" allow the client to breathe in hold for three, and breathe out. Follow with Pressure Point movements concentrating on eye drainage and frontal sinuses.
9. Spritz skin with **Multi-Active Toner** and apply four drops of **Skin Hydrating Booster** mixed with four drops of **Gentle Soothing Booster** under a teaspoon of **Skin Hydrating Masque**.
10. Massage hands and forearms with **MultiVitamin Hand and Nail Treatment** while masque is absorbing.
11. Remove and finish with **Multi-Active Toner**, followed by **Skin Hydrating Booster**, prescribed Dermalogica Moisturizer and Daylight Defense. Finish with **SkinPerfect Primer SPF30**.
