

10 minute

# deeply nourishing

facefit<sup>SM</sup>

boosts moisture to dry skin and  
replenishes lipid barrier

## time:

2  
MIN.

## directions:

- 1 Cleanse the skin by applying an almond sized amount of **PreCleanse Balm**. Manipulate, then emulsify with water and remove with damp aesthetic wipes.

**Modality Option:** Use an ultrasonic blade or brush on exfoliation mode for a deep cleanse.

2  
MIN.

- 2 Mix 1 pump **Intensive Moisture Cleanser** with water in a cup and apply with Fan Masque Brush. Lightly manipulate then remove with damp aesthetic wipes.

3  
MIN.

- 3 Apply **Hyaluronic Acid IonActive™ Serum** then follow with a thin layer of **Colloidal Masque Base**. Remove with damp aesthetic wipes.

**Modality Option:** Use an ultrasonic blade on penetration mode to optimize hydration.

time:

directions:

**4** Spritz **Multi-Active Toner** and apply a few drops of **Phyto Replenish Oil**. Then apply **Intensive Moisture Balance**.

**5** Apply **Skin Defense Booster** or prescribed **Daylight Defense**.
