The image shows a screenshot of the Dermalogica checkout page. At the top, the word 'checkout' is displayed. Below it, there are two tabs: 'shipping' (with a checkmark) and 'billing' (with a '2' in a circle). The 'billing' tab is active. The main heading is 'enter a billing address'. Below this, there are several input fields for 'first name', 'last name', 'address 1', 'apt/suite', 'buzzer code', 'city', 'province' (a dropdown menu with 'Select...' selected), 'postal code', and 'country' (pre-filled with 'Canada'). There is also a 'phone' field with a 'why is this required?' link. A checkbox labeled 'save this address to my account' is present. At the bottom of the form, there is a dropdown menu labeled 'select your salon or spa' with 'select one' in the dropdown list. A blue arrow points from the text 'Customers will find the “select your spa or salon” on the shipping page of checkout.' to this dropdown menu. A blue oval highlights the 'select your salon or spa' dropdown menu.
