

## 3 steps to spring clean your skin

### STEP 1 - PRESCRIBE

Dermalogica's unique Face Mapping® skin analysis tells you exactly what your skin needs to look and feel its best.

### STEP 2 - TREAT

Whether you need a quick pick-me-up or an in-depth facial, Dermalogica's professional skin treatments are completely tailored to your skin's needs.

### STEP 3 - MAINTAIN

Use a daily Dermalogica skin care routine of effective products that deliver results for a healthy skin future.
