

KELSEY MONTAGUE  
X  
**dermalogica**

The holidays are all about connecting with one another to create joyful, uplifting moments. At Dermalogica we accomplish that through human touch – and as a Los Angeles-based brand with strong ties to our vibrant community, street artist Kelsey Montague's work inspired us. Like us, Kelsey creates with her hands. Her interactive pieces invite viewers to share their experiences – making her work a perfect way to bring skin care that lifts you to life.
