benefits

- **Targets** breakouts and visible signs of premature skin ageing at the same time.
- **Renews** and soothes skin overnight.
- **Delivers** clearer, more vibrant skin by morning

COST: £33.40 | €39.20

RRP £69.00 | €83.00

key ingredients

Salicylic Acid – stimulates natural exfoliation to help clear clogged follicles and smooth away dullness that contribute to visible skin ageing.

Retinol – accelerates skin renewal and repair to diminish the appearance of fine lines, wrinkles, and uneven skin tone.

Jojoba, Rosehip Seed, and Argan Oils – lightweight, skin friendly oils packed with phytoactive lipids that 'melt' into the skin's natural lipid layers between surface cells.
